We invite you to check our city website and grab a Festival Week brochure around town and join in all the fun. We hope you enjoy your time here and come back to visit our beautiful city again whether it be to enjoy another festival event, or simply to visit Oconomowoc where *"Life Comes Naturally Here."*

Best regards,  
Dave Nold

## 2018 SCHOLARSHIP AWARDS

The Oconomowoc Festival of the Arts is pleased to announce the 2018 scholarship winners.

### → RACHEL FOYER

"All my life, I've been fascinated by stories," said Rachel Foyer, recipient of our 2018 Virginia Harris Memorial Scholarship. "I grew up loving picture books, staring at the illustrations while begging my sister to read the words. I was fascinated by the way that the pictures told stories that I would sometimes find more interesting than the words."

Rachel has become a passionate illustrator and digital designer. She has won a "Best Digital Effects" award from the 2017 Lake Country Film Festival for an animated short film and has created flyers, logos, posters, shirts and the opening animation for the festival. You may have seen some of Rachel's work on the big Daktronics digital screen during sporting events at Rux Stadium.

Rachel has been recognized as "Artist of the Month" at OHS, and has created logos, shirts and other designs for many student activities. She won last year's contest to design the high school's post prom logo. For four years Rachel has been lead graphic designer for the high school's Robotics Team, ensuring the team's imagery and graphics look as best as possible at competitions and events. Designs Rachel creates for the team include buttons, shirts, and sponsor panels.

She plans to attend the Milwaukee Institute of Art and Design this fall to study Illustration.

### → MATTHEW KELLEN

The recipient of a Fine Arts Scholarship, Matthew's journey to learn the trumpet began in the 5th grade. Matthew explained "that one of his first goals was to produce a pure, resonant, and open sound". Matthew realized "that achieving success on the trumpet was going to require patience, dedication, and deliberate practice..."

Matthew has been principal trumpet player for the Oconomowoc High School Wind Symphony. He has played in the Wisconsin State Honors Ensemble for the last two years. He was in the Wisconsin State Honors Orchestra (2016) and the Honors Band (2017). He is also principal trumpet for the Milwaukee Youth Symphony Orchestra and performed with the Wisconsin All State High School Orchestra in 2016.

Matthew is the 2018 winner of the Waukesha Area Symphonic Band Concerto, the 2018 Oconomowoc High School Senior Concerto, and received a 1st at District competition and went on to State competition in trumpet.

He is a member of the National Honor Society, the Tri M National Music Honor Society, the German National Honor Society and is a Link Crew member. He plans to attend the University of Wisconsin-Madison in the fall and major in Trumpet Performance.

### → CHARLES (CHARLIE) PALM

Recipient of our 2018 John Rawlins Memorial Scholarship, Charlie is a recent high school graduate who plays at least eleven musical instruments and is now a professional musician, gigging at venues including the Marcus Amphitheater, Bradley Center, and Turner Hall. He has composed many original

musical pieces and is also founding member and performer on guitar and vocals in a funk band called *Grilled Cheese*.

Charlie has been an award winner at the Music for All International Festival in Indianapolis (2016), the UW-Green Bay Jazz Festival (2015), the UW-Milwaukee Woody Herman Jazz Festival (2017), the Lawrence University Jazz Festival (2013), the Dixie Classic Festival in Chicago (2017), and the Festival Disney National Music Competition (2018).

Charlie has played with the Oconomowoc High School Varsity Band, Varsity Jazz Band, and Pit Orchestra, the Milwaukee Symphony Youth Orchestra, and the University of Milwaukee Youth Jazz Ensemble.

Charlie is a member of the National Honor Society, the National Music Honors Society and the National German Honors Society. He plans to double major in Jazz Studies and Computer Science at the University of Wisconsin-Madison in the fall.

### → STEPHANIE PLAUTZ

Winner of our 2018 OFA Fine Arts Scholarship, Stephanie began her music studies on the baritone, but quickly learned the euphonium and trombone and has become a versatile and accomplished player on both instruments.

Stephanie earned a euphonium position in the Oconomowoc High School Wind Ensemble as an incoming freshman – an honor given to the most high-achieving students. She has extensively studied standard and advanced orchestral wind ensemble repertoire on both instruments. She performs in the Milwaukee Youth Symphony Orchestra, the Oconomowoc High School Wind Symphony, the OHS Brass Ensemble, the OHS Brass Sextet, the OHS Pit Band and the OHS Orchestra.

Stephanie has also become an accomplished self-taught composer. For three consecutive years she has been selected as a participant in the Milwaukee Youth Symphony Orchestra's John Downey Creation Project. This involves the public premier of new works by select young Wisconsin composers. Stephanie premiered an original orchestral piece during the 2015-2016 season titled "*Love Like Lavender*". Stephanie was awarded 3rd place from the Wisconsin School Music Association (WSMA) in for her piece.

In addition to distinctions she has received for her composing work, Stephanie has been honored by the National Band Association All-State Band, the UWM Music Festival, Carroll College Concert Invite, and UW-Stevens Point. She plans to major in Music Composition at the University of North Texas in the fall.

# CHILDREN'S ART AREA 2018

This year the Children's Art Area is focusing on the theme "creativity" by featuring projects that begin with a simple line or shape that becomes a creative work when projected onto a larger background.

**Scratch Art:** Kids make a line and then stretch and vary it on a scratch art drawing.

**Cartoon:** Kids sketch shapes in pencil, then turn them into cartoons with colorful markers.

**Tessellations:** Kids start with geometric shapes, create a pattern, and tile them onto a plane.

In addition, there will be a coloring table for the little ones and an art wall for those who enjoy painting.

The committee wishes to thank you in advance for stopping by and making art with your children. Thank you to our friends and sponsors for contributing to the Oconomowoc Festival of the Arts.

## SILENT ART AUCTION

Come visit the Silent Art Auction Tent across the parking lot across from the food pavilion.

A bid sheet is attached to each piece of art with the artist's retail price and starting bid at the top. You may enter a bid for any item by placing your name, contact number and offer on the bid sheet. You may bid multiple times on any item. We ask that all bids on artwork be raised in at least \$5.00 increments.

We appreciate the generous contributions of the Festival artists, who donate the pieces for the Silent Art Auction. We thank these artists for their commitment to our Festival. Proceeds from the Silent Auction help fund local scholarships for students pursuing a career in the arts.

### SATURDAY ART AUCTION

The Saturday Auction will start at 11:00 am and conclude at 3:00 pm. At 3:00 pm, all bidding ceases and the winners may stand in line to pay for their artwork, or continue to browse the Festival until the line dwindles. The Tent workers will be available to give out artwork until 5:00 pm. Workers will notify winners by phone if needed. ## "MELODY" EMBODIES THE SPIRIT OF THE ARTS IN OCONOMOWOC

The sculpture "Melody" is featured on our T-shirts, posters, and programs this year. "Melody" was a gift to the Oconomowoc Area School District and the community from the Oconomowoc Festival of the Arts. She is located at the entrance to the Oconomowoc Arts Center on the north side of Oconomowoc High School. She was installed on November 14, 2008, prior to the opening of the OAC.

Sculpted of bronze, "Melody" is almost eight feet tall, and weighs 825 pounds. The sculptor, Tuan, is a Vietnamese refugee who arrived in America in 1989, and earned his fine art degree from the Art Institute of Southern California. His studio is in California.

Volunteers from the festival apply a coat of wax to the sculpture twice a year in order to maintain her patina.

Artwork for this year's t-shirts, cover and posters was provided by Megan Spindler of Zatetic Studios. Megan is a licensed architect who started volunteering for the Festival in high school, and now manages the Festival's website and social media.

## FALL GALLERY NIGHT

Oconomowoc is recognized as an arts community, as evidenced by our art galleries and studios, the popularity of the Festival of the Arts, and Gallery Nights that occur downtown each spring and fall. Local businesses invite artists and musicians in, to the delight of visitors, who stroll through downtown enjoying the sights, sounds, and flavors that Oconomowoc has to offer. The next Gallery Night will occur Friday, November 2, 5-9 p.m.

## EXCITING LAKE ACTION

Once again the Downtown Oconomowoc Business Association will be offering free **Pontoon Shuttles** to the Festival this year, sponsored by the Boat House. Departures will be every half hour from the city boat launch on Fowler Lake, in the municipal parking lot just north of City Hall. A short jaunt across Fowler Lake will land you at the Festival grounds in Fowler Park.

Look for **Light up the Lake**, an annual Venetian boat parade held on Lac la Belle in conjunction with Festival Week. Beautifully lit boats circle the lake at dusk, to the delight of the many spectators. This year's parade will take place at City Beach on Saturday, August 18, following the 7:30 p.m. concert by the American Legion Band. A fireworks display will end the evening.

## SPOTLIGHT GROUP

### THE OCONOMOWOC WOMAN'S CLUB

The Oconomowoc Woman's Club was established in 1949. We currently have 83 members. Our mission is to better ourselves, our community and our country through volunteering.

Our Club organizes and hosts four primary fundraisers each year to raise money for charities in our community. Not only do we provide monetary donations, but we collect in-kind donations at each of our monthly luncheons and deliver them to the various charities. We perform various service projects through the area. We deliver cookies to the police and volunteer fire departments in the area and make quilts for children that receive cleft lip operations as part of Operation Smile. Our motto is all about giving to our fellow man.

Our Club meets once each month at the Oconomowoc Lake Club. These meetings include our general business, along with lunch and entertainment from local persons.

Our members are amazing women, ranging from their late 40s to early 90s. Their spirit and enthusiasm is contagious. They come from all walks of life, and their talents and abilities are limitless. We have a great deal of fun while providing support to our charities in the Lake Country area.

## FESTIVAL AWARDS CEREMONY

**Sunday 1:00 p.m.**

Be sure to catch the Festival Awards ceremony Sunday at 1:00 p.m. on the Pavilion Stage. The awards ceremony is the culmination of the festival, and it is wonderful to see the artists rewarded for their creativity and dedication to their artistic vision. Artists awards are presented in the following categories: Best of Category – ceramics, drawing, fiber/leather, glass, graphics/printmaking, jewelry, mixed media 2d, mixed media 3d, painting, photography, sculpture and wood, and Best of Show.

The Festival artists are judged by local artists who view all of the artwork on site at the festival. In order to maintain a fresh perspective the judges change from year to year. Winning artists are extended an invitation to participate in next year's show.

The Festival of Arts is able to maintain a high caliber of art in our show because it is juried, meaning that as part of the selection process artists must submit examples of their work, which is reviewed anonymously by an independent jury. Again, the jury changes from year to year. We are fortunate to have an abundance of talented and generous artists to serve as jurors and judges for the Festival.

Another important part of the Awards ceremony is the presentation of scholarships. Each year high school students attending

Oconomowoc schools or residing in the district are given the opportunity to compete for several scholarships. Over the past 47 years, the Festival of the Arts has awarded over \$200,000 in scholarships to students intending to pursue careers in the arts.

This year's talented scholarship recipients are featured on page 13. We look forward to seeing you at this year's Awards ceremony.
