

January 26-28, 2018 ❄️ 33rd Annual
WAUKESHA JANBOREE
JANBOREE.ORG

Ready... Set... Go! to the Opening Ceremonies!

Winter's here and it's time to get out and have some fun! Get ready to get your "Game On!" at the 33rd Annual Waukesha JanBoree Opening Ceremonies sponsored by **Educators Credit Union**. So many fun things to see and do, you'll want to get there early!

Join Storm Team 4 Meteorologist, Brian Gotter, as he broadcasts live beginning at 4 PM, Fri., Jan. 26 from Lowell Park. It'll be "Game On!" as Brian tries out all the fun activities and he may even ask you to play along. Come and meet Brian and check out the TODAY's TMJ4 Storm Chaser, Wisconsin's only MOBILE lab.

How about the 350-foot lighted toboggan run? Free use of the toboggans! If the toboggan has too many thrills, chills and snow flying for you, borrow a Zipfy sled and slide down the hill sitting down as you steer your way along.

Grab your skates and check out the hockey-sized ice rink and go 1 on 1 as you go for the goal, or play broom ball... even if you don't have skates.

When you need a break, warm up by the bonfire, or head inside the shelter for some free hot chocolate and popcorn from **Educators Credit Union**. Texas Roadhouse will be serving up their famous chili and Toppers Pizza will have hot slices, all at a nominal cost.

"Put me in Coach!" Head across the street from Lowell Park to Waukesha North High School to take part in the Comedy Sportz Show. This family-friendly improv comedy will tickle your funny bone! Get off the sidelines and head over for the win while you take in on-the-spot, full-court press, knock-out comedy. Don't forget to pick up your free tickets at the WPRF Office at 1900 Aviation Dr. or the Schuetze Rec Center, 1120 Baxter St., as seating is limited.

Be sure to check out the progress on the massive ice sculpture taking shape as professional ice carvers are "Game On!" as they scrape, whack, saw, shave and blow torch their way to an amazing work of art.

Looking to try something new? How about light-up disc golf? We'll have a pro on hand to show you the ropes and make your way through the putting greens.

Grown-ups can check out the Lowell Park Beer Garden inside the heated tent and enjoy local Raised Grain Brewery products on tap. Products featured include Driftwood Porter, smooth and silky brewed with Madagascar vanilla; Kilted Kölsch, a clean and crisp German-style ale; and Ah Ha IPA, a boldly hopped American IPA. The Beer Garden will be open from 5 - 9 PM. Please bring your ID.

And finally, as tradition would have it, you'll see fireworks light up the crisp winter sky at 8 PM. If you've never seen winter fireworks, you won't want to miss it as each punch of color pierces the winter sky and falling embers ranging the rainbow bang, flit, and fall into the snow.

Check out the excitement and get in the game as the 33rd Waukesha JanBoree opens on Friday, January 26th at Lowell Park. For a full schedule of events go to janboree.org

❄ Wisconsin Philharmonic to ❄ Bring the Joy of Music to JanBoree

The Wisconsin Philharmonic will bring the joy of orchestral music to the 2018 Waukesha JanBoree, presenting a specially-designed Family Concert on Sun., Jan. 28 at 3 PM, at the newly-refurbished St. Luke's Lutheran Church, 300 Carroll Street in downtown Waukesha.

In the spirit of the theme "Game On!", the Philharmonic will present two classic, entertaining works for narrator and orchestra -- Russian composer Serge Prokofiev's **PETER AND THE WOLF**, and Frank Proto's more recent American classic, **CASEY AT THE BAT**. Guest Narrator will be, TODAY'S TMJ4 News Anchor, Charles Benson; Alexander Platt, the Wisconsin Philharmonic's Music Director, will conduct.

Prokofiev's "Peter and the Wolf," perhaps the most famous of all works composed especially for young audiences, tells the story of Peter, an enterprising young boy in the Russian countryside, who enlists the help of his many friends from the animal kingdom in order to safely ensnare the neighborhood's problematic local wolf, and lead it to the nearby zoo. Of more recent vintage,

Frank Porto's "Casey at the Bat" is an ingenious setting for narrator and orchestra of Ernest Lawrence Thayer's immortal baseball poem of 1888, telling the melancholy tale of how "The Mighty Casey," star slugger of the Mudville Nine, finally gets his needed comeuppance. Thayer's poem may famously state that "There is no joy in Mudville," but Porto's setting results in a charming work of Americana that is a perfect marriage of two of the greatest American traditions -- classical music and baseball.

This concert will be a perfect way for families to introduce young children to the joy of symphonic music, and to the lifelong joy of playing an orchestral instrument. The 3 PM concert will last about an hour. The Instrument Petting Zoo will begin at 2 PM with Philharmonic musicians on hand to help children try the instruments for themselves. If your children would like to discover the world of the orchestra, then this concert is the perfect opportunity.

More information can be found at JanBoree.org or the Wisconsin Philharmonic's website, www.wisphil.org, or by calling the Philharmonic office at 262-547-1858.
