Nature – A Healer

Stressed out or in low spirits? Get out into nature. Take a walk. Discover again the miracles of Creation: the variety of green growing things – the intricate design of flowers – of butterflies – the antics of birds – snow scenes in the winter. Look up at the sky – the myriad cloud patterns by day – the stunning variety of star clusters at night. The overwhelming beauty of Creation is a wonderful healer.

The city of Oconomowoc offers a variety of experiences for you to get out and unwind. Go for a walk or a bike ride around many of the lakes or try fishing at one of the many lake front parks. Take advantage of all that the lake country area has to offer. (Adapted from a Prescription Center Pharmacy advertisement published in the Oconomowoc Enterprise 25 years ago.)
