To All Festival Guests, Artists and Organizers:

Welcome to the Oconomowoc Festival of the Arts, a time-honored tradition on beautiful Fowler Lake in Oconomowoc.

We are glad you are joining us for this renowned art festival now in its 49th year. Summer is when Oconomowoc truly shines and the Oconomowoc Festival of the Arts is the centerpiece of what has become known as "Festival Week." During the week of the Arts Festival, the city is bustling with fun, free and family-friendly activities.

We invite you to check our city website and grab a Festival Week brochure around town and join in all the fun. We hope you enjoy your time here and come back to visit our beautiful city again whether it be to enjoy another festival event, or simply to visit Oconomowoc where *"Life Comes Naturally Here."*

Best regards,
Dave Nold
Mayor, City of Oconomowoc

2019 SCHOLARSHIP AWARDS

The Oconomowoc Festival of the Arts is pleased to announce the 2019 scholarship winners.

Jacob Hogan's journey in music began with the piano at age of eight. In the 5th grade he began playing the trumpet. He has participated in band, jazz band, pit orchestra, pep band, marching band, solo and ensemble, state honors projects and more.

Jacob explained that "while I am involved in various sports and clubs, I have spent more time doing music than any other activity. It has affected my friendships and my experience in life."

Through his dedication to his trumpet studies, Jacob has flourished, being selected as principal trumpet player for the Oconomowoc High School Wind Symphony this year. He was awarded a WSMA Exemplary Award at the 2018 and 2019 State Festivals.

Not surprisingly, Jacob works very hard outside his trumpet studies. He is a member of the National Honor Society, Spanish Honors Society, Math Honors Society and the Tri M National Music Honor Society. He is also the 2018-2019 DECA Vice President.

Jacob plans to attend the University of Wisconsin-Madison in the fall and major in trumpet performance and engineering.

Oconomowoc Festival of the Arts attendees may be familiar with our 2019 Virginia Harris Memorial Scholarship recipient, **Malik Staude**, having enjoyed his multiple performances on our Piano Stage.

Malik has been studying classical and jazz piano for 10 years. To date, he has earned a level 6 theory certification from the Royal Conservatory of Music.

Malik is interested in composing and arranging as well. He earned the highest rating at the 2017 WSMA Solo and Ensemble Festival for a 12-piece brass arrangement of "O Danny Boy". He composed several original songs for the OHS production of "As You Like It".

You may find Malik and fellow scholarship recipients Jacob Hogan and Travis Cooke 'gigging' in the area with their ensemble Chili. They recently played at the Oconomowoc Arts Center Gala.

He is President of the Tri-M honor society and a member of ITS (International Thespian Society).

The Oconomowoc Festival of the Arts wishes Malik every success as he plans to study jazz piano at the University of Wisconsin-Milwaukee in the fall.

Alexandra (Alex) Mortensen, recipient of our 2019 OFA Fine Arts Scholarship, began her music studies on the piano at the age of five but the combination of theater and music has brought her passions together as she works toward a career in a Broadway orchestra.

"I am hoping that this scholarship will be a stepping stone in reaching my goals and gaining a higher-level education to pursue something that brings people together as well as something that I am passionate about."

Alex plays oboe and English horn for the Woodwind Ensembles and OHS Orchestra and is also principal oboist for the Milwaukee Youth Symphony Senior Symphony and Chamber Orchestra. She has been a member of OHS Jazz I where she played the tenor saxophone and baritone saxophone. She has been an OHS Marching Band student leader and drum major for the past three years and has had a huge impact on younger students. She also volunteers with the Oconomowoc Area Legion Band both as a drum major and musician. She is a member of the National Honor Society, Mu Alpha Theta Math Honor Society, Sociedad Honoraria Hispanica and Tri-M Music Honor Society.

We wish Alex every success as she continues her studies at the University of Indiana – Bloomington in the fall.

"Ever since I first picked up a trombone in fifth grade, I became fascinated by the vast field of music," said **Travis Cooke**, recipient of our 2019 John Rawlins Memorial Scholarship. "Music has not only inspired me and made me happy, it has taught me some extremely important life skills that will help me with my career in the future."

That fascination with music has only grown over time. His accolades include: Honors Orchestra of America, principal trombone, Milwaukee Youth Symphony Orchestra Senior Symphony, principal trombone and WSMA State Solo and Ensemble Exemplary Soloist Award. He studies trombone with Megumi Kanda, principal trombonist of the Milwaukee Symphony and was an honorable mention concerto winner in the 2018 and 2019 Milwaukee Symphony Young Artists Concerto Competitions.

He is also a three-year scholar athlete (golf), a member of the National Honor Society, Math Honors Society and Spanish Honors Society.

We wish continued success to Travis as he continues to grow as a musician and scholar while attending the University of Wisconsin – Madison to study trombone performance and computer science.

EXCITING LAKE ACTION

Once again the Downtown Oconomowoc Business Association will be offering free **Pontoon Shuttles** to the Festival this year, sponsored by the Boat House. Departures will be every half hour from the city boat launch on Fowler Lake, in the municipal parking lot just north of City Hall. A short jaunt across Fowler Lake will land you at the Festival grounds in Fowler Park.

Look for **Light up the Lake**, an annual Venetian boat parade held on Lac la Belle in conjunction with Festival Week. Beautifully lit boats circle the lake at dusk, to the delight of the many spectators. This year's parade will take place at City Beach on Saturday, August 17, following the 7:30 p.m. concert by the American Legion Band. A fireworks display will end the evening.

CHILDREN'S ART AREA 2019

THEME: SCIENCE AND SUSTAINABILITY

This year the theme in the Children's Art Area is Science and Sustainability. Oconomowoc is a small town with 5 beautiful lakes, and talking about nature, forms of environmental service, and how we use them within art will be beneficial to every child. The crafts available for the children will either focus on nature or use sustainable materials to create beautiful projects, showing that art can come in all forms.

Projects available for completion include a fish flag, tissue-paper flowers, sustainable water-bottle bracelet, painted rock critters, origami frogs and water color birch bark reliefs with tape-resist water theme.

SILENT ART AUCTION

Come visit the Silent Art Auction Tent across the parking lot across from the food pavilion.

A bid sheet is attached to each piece of art with the artist's retail price and starting bid at the top. You may enter a bid for any item by placing your name, contact number and offer on the bid sheet. You may bid multiple times on any item. We ask that all bids on artwork be raised in at least \$5.00 increments.

We appreciate the generous contributions of the Festival artists, who donate the pieces for the Silent Art Auction. We thank these artists for their commitment to our Festival. Proceeds from the Silent Auction help fund local scholarships for students pursuing a career in the arts.

SATURDAY ART AUCTION

The Saturday Auction will start at 11:00 am and conclude at 3:00 pm. At 3:00 pm, all bidding ceases and the winners may stand in line to pay for their artwork, or continue to browse the Festival until the line dwindles. The Tent workers will be available to give out artwork until 5:00 pm. Workers will notify winners by phone if needed. Any artwork not picked up by noon on Sunday will go back up for bid in the Sunday Art Auction.

SUNDAY ART AUCTION

Sunday, a second auction with new artwork will begin at 11:00 am. Again, open bidding will cease at 3:00 pm. Winners may pick up their items between 3:00 pm - 5:00 pm. Winners will be notified by phone to pick up their pieces.

The committee encourages everyone to visit the Silent Art Auction Tent during his or her visit. Good luck to all bidders and thank you for contributing to the support of the Festival.

FALL GALLERY NIGHT

Oconomowoc is recognized as an arts community, as evidenced by our art galleries and studios, the popularity of the Festival of the Arts, and Gallery Nights that occur downtown each spring and fall. Local businesses invite artists and musicians in, to the delight of visitors, who stroll through downtown enjoying the sights, sounds, and flavors that Oconomowoc has to offer. The next Gallery Night will occur Friday, November 1, 5-9 p.m.

OCONOMOWOC... "Where the Waters Meet"

In celebrating its 46th year of bringing fine art to the community, the nationally recognized Oconomowoc Festival of the Arts' board voted to "fill the gap" at the City Beach on Lac la Belle when the relocation of the flagpole was announced. The removal of the flagpole left the buried GPS signal for the city without an historical landmark.

Local artist Terri Field designed the sculpture, "Where the Waters Meet," collaborating with the Park and Recreation board to create a shared vision and historical symbol of Lac La Belle. This sculpture represents the sailing regattas that still grace our lake front. Featuring four soaring sail-like pieces of aluminum on a granite base, it symbolizes the four main lakes in Oconomowoc: Lac La Belle, Oconomowoc Lake, Fowler Lake and Silver Lake.

The Oconomowoc Festival of the Arts has a history of giving back to the Oconomowoc community. College Scholarships for Oconomowoc High School students who major in fine arts as well as the elegant bronze sculpture "Melody" which resides outside of the Oconomowoc Arts Center are two examples of its support of the fine arts in Oconomowoc. With the donation of this newest work they hope to enrich the heart of Oconomowoc and to continue to connect the visual arts with our community.

SPOTLIGHT GROUP AFS INTERCULTURAL PROGRAMS

AFS Intercultural Programs has been a worldwide non-profit leader in international student exchanges for more than 60 years. AFS works toward a more just and peaceful world by providing international and intercultural learning experiences to individuals, families, schools and communities through a global volunteer partnership.

Every year, AFS exchanges more than 13,000 participants among more than 50 countries. AFS-USA awards more than \$3 million in scholarships and financial aid to outstanding students across the country each year.

The Oconomowoc chapter of AFS has been active since 1958. More than 140 foreign students and over 100 OHS students have participated since that time. For the 2018-19 school year, Oconomowoc families hosted students from Ghana, Hungary, Costa Rica, Czech Republic, Mozambique, Germany and Italy. For the 2019-20 school year, AFS students from Norway, Thailand, Portugal, Germany and Spain will spend their year with Oconomowoc families and study at OHS.

Adult volunteers recruit host families, recruit study abroad students for summer, semester and yearly programs, support families and students through monthly contacts, fundraise to provide scholarships and stipends, work with the OHS AFS/International club, and facilitate events and presentations to bring cultural understanding to the community.

FESTIVAL AWARDS CEREMONY

Sunday 1:00 p.m.

Be sure to catch the Festival Awards ceremony Sunday at 1:00 p.m. on the Pavilion Stage. The awards ceremony is the culmination of the festival, and it is wonderful to see the artists rewarded for their creativity and dedication to their artistic vision. Artists awards are presented in the following categories: Best of Category – ceramics, drawing, fiber/leather, glass, graphics/printmaking, jewelry, mixed media 2d, mixed media 3d, painting, photography, sculpture and wood, and Best of Show.

In order to maintain a fresh perspective the judges change from year to year. Winning artists are extended an invitation to participate in next year's show.

The Festival of Arts is able to maintain a high caliber of art in our

show because it is juried, meaning that as part of the selection process artists must submit examples of their work, which is reviewed anonymously by an independent jury. Again, the jury changes from year to year. We are fortunate to have an abundance of talented and generous artists to serve as jurors and judges for the Festival.

Another important part of the Awards ceremony is the presentation of scholarships. Each year high school students attending Oconomowoc schools or residing in the district are given the opportunity to compete for several scholarships. Over the past 49 years, the Festival of the Arts has awarded over \$200,000 in scholarships to students intending to pursue careers in the arts.

This year's talented scholarship recipients are featured on page 12. We look forward to seeing you at this year's Awards ceremony.

2019 ARTIST CELEBRATION

Once again artists and volunteers of the Oconomowoc Festival of the Arts will gather at Jim Young's home on Lac La Belle. After cocktails, appetizers and live music on the lakeside patio, guests enjoy a catered outdoor dinner and the artists' awards presentation. The OFA sends warm thanks to Jim.

"Making a positive impact in our community."
