"Art is a great agent, he helped us buy our new home and sell our old one in less than 2 months. He was always available and guided us through the whole process, these deals would not have happened without Art leading the way. We love our new house, thank you Art and First Weber."

Mukwonago Community Library is this year's Charity of Choice

Many of its patrons refer to Mukwonago Community Library as the "crown jewel of the community" and the library's mission is to "Inspire Creativity, Promote Discovery, and Build Community", of which it strives to fulfill this mission every single day. Muk-

offers a vast amount of resources to the community: whether through visiting the library in-person and browsing its shelves and attending one of its many programs, or by accessing a plethora of resources and services digitally. There are many special wonago Community Library resources that make Mukwon-

ago's library unique such as MetaSpace 511 (its MakerSpace). The Thingery (its lending library of things - a library is so much more than just books!), its Book Bike, its Memory Lab to convert analog materials to digital, and so much more. If you are looking for ways to help support the

library, the best way is to utilize the library and checkout materials! You can also donate to the library, join the Friends of the Library, volunteer, or donate to and buy items from our continuous book sale. MCL and its

staff are proud to serve the Mukwonago community and would not be able to do so without the community's support and dedication. Mukwonago Community Library is currently open Mondays-Thursdays 9:00

- 7:00 pm, Fridays 9:00 am -6:00 pm, and Saturdays 9:00 am - 4:00 pm. To find out more about the library or to sign-up for a library card, be sure to visit our website: http://mukwonagolibrary.org.
