The Haase House was established in 2016, recognizing the local need for services that offer young adults with disabilities the opportunity to

# THE HAASE HOUSE IS THIS YEAR’S CHARITY OF CHOICE

continue their education and growth towards greater independence. Currently, The Haase House serves their clients out of a beautiful home in a quiet Mukwonago neighborhood, with access to the schools, parks, and small businesses.

Mary Haase, the Founder and Program Director of The Haase House, saw a need for her own son with Autism and grew frustrated that resources were so limited when it came to specialized goal-

based services. An Occupational Therapist for many years, at the age of 45 Mary decided to pursue her master’s degree in Special Education with the determination to create unique service options for young adults with disabilities.

The Haase House has three primary future goals for each young adult - Supported/Independent Living, Employment/Volunteerism, and Community Participation & Contributions. “There’s a misperception that people with disabilities

are not self-determined,” Mary says, “I believe all of them are, and I think it’s important to put time and effort into learning what each one of these special people want out of life. They have feelings, dreams, passions, hidden talents and sometimes they need some help to discover these.”

As a 501(c)(3) nonprofit, The Haase House relies on fundraising to provide the programming they do, and they are in need of funding for three major areas: an HVAC sys-

tem, a Van to accommodate the client base, and Expanded Client Programming to ensure functional instruction opportunities. To Learn, Support, and/or Donate visit their website at [www.thehaasehouse.org](http://www.thehaasehouse.org).

Come visit their open house on Midnight Magic, December 4th from 2:30pm-4:00pm and 6:00pm -8:00pm. Also watch for them in the parade with Mr. and Mrs. Claus!
