TREETOP EXPLORER

Private Donors are the heartbeat of Waukesha Civic Theatre's success who help keep us financially sound and looking to the future through gifts to the Annual Operating Fund, the Endowment Fund, and by including us in Planned Giving.

The average expense of producing a non-musical Mainstage Play is \$10,000 - \$12,000.

The average expense of producing a Mainstage Musical is \$30,000 - \$40,000.

We are working diligently toward fiscal health, so that we can grow into a bigger and brighter future.

- \$10,000 Staffs a Mainstage musical production or prints our season brochures.
- \$5,000 Sponsors the annual PIX Fix Film Series or staffs a musical orchestra.
- \$1,000 Builds a Mainstage play set or provides theatrical lighting lamps for a season of shows.
- \$500 Provides tuition to a summer Academy camp student.
- \$100 Stocks batteries for one weekend of a musical.
- \$50 Compensates a rental lighting and sound technician.
- \$25 Buys a roll of glow tape.

Please contact us to make arrangements to support the theatre.
