# 2023 Charity *Fisher House*

*Did you know that your Mukwonago Chamber of Commerce donates money each year to a specific charity from proceeds of Midnight Magic?*

Fisher House is a home away from home for veterans & military families who need temporary housing while their loved one receives care at a VA approved medical facility. Here families can find help through tough times by being offering comfortable accommodations in a home-like environment at no cost to them.

When veterans or service members receives care from the VA, the last thing their families should have to worry about is how to support their loved one during hospitalization. For many, the travel to a VA Medical Center is hours from home, and it is difficult to predict how long a stay might be. Not only are there financial sacrifices with travel and lodging, but there can also be mental and emotional burdens as families seek answers & wait for results.

We hope to lessen these burdens so families can focus on helping their loved one heal. The Milwaukee

VA Fisher House is conveniently located on the Milwaukee VA Medical Center grounds and offers 16-bedroom suites of varying layouts to accommodate single travelers or larger families at no cost to them. Designed with the interactions of their visitors in mind, guests can experience the feeling of being home with a shared common kitchen, laundry room, dining room, living room, family room, and a large patio and yard. Families share meals together and support each other through their joys and sorrows.

This year, the proceeds of the Charity Auction, as well as the raffle of Lee Wegner's Grinch carving, will be donated to this amazing organization. We are very grateful for your participation in these events and the funds Mukwonago is able to provide to our veterans and active service members. To find out more about Fisher House, visit their website, [www.fisherhousewi.org](http://www.fisherhousewi.org)
