2025 Mukwonago Midnight Magic Charity of Choice

Norris Cares

Supporting Learners, Strengthening Community

When learners have their basic needs met, they are empowered to focus, grow, and succeed. That belief inspired the creation of Norris Cares, a program founded in 2023 by dedicated staff at the Norris School District who saw firsthand the challenges some learners face beyond the classroom.

For many young people in our community, obstacles such as food insecurity, unstable housing, and limited access to essential items make it difficult to engage in learning and daily life. Norris Cares was created to remove these barriers by ensuring that every learner has access to what they need—whether it's a warm meal, clean clothing, hygiene supplies, or school materials.

By addressing these fundamental needs, Norris Cares helps learners feel seen, supported, and capable of reaching their full potential. The impact is more than academic—it's emotional and social, too. When learners feel cared for, they build confidence, develop stronger relationships, and begin to envision a brighter future for themselves and their community.

The need continues to grow, and community support is vital. Through the generosity of individuals, local businesses, and community partners, Norris Cares is able to provide direct assistance where it's needed most. Every donation—monetary or physical—is used exclusively to support learners and is distributed equitably to ensure fairness and transparency.

Your contribution, no matter the size, makes a meaningful difference. Together, we can uplift learners, strengthen families, and build a community where every young person has the opportunity to thrive.
